Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 6 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 1 blank page in their passport for each entry stamp/visa that will be required. A visa is required. US citizens will need to get in touch with the country's embassy or nearest consulate to obtain a visa prior to visiting the country.

If travel originates from a country without an Embassy of Tajikistan, it is possible for a traveler to purchase a visa upon arrival at the airport; however, the traveler will need to first apply for a visa online with the Tajikistani Ministry of Foreign Affairs (MFA), receive a pre-approval confirmation, and a Letter of Invitation from the US Embassy Dushanbe prior to arrival.
